Re: *In re L&L Energy, Inc. Securities Litigation*, No: 1:13-cv-06704-RA

Dear Judge Abrams:

The parties jointly request that they be allowed two additional weeks, through November 17, 2014, within which to file a motion for preliminary approval of the parties' settlement. We apologize for the delay. The presence of several large potential opt-outs continues to complicate the parties' documentation of their settlement. However, the parties continue to be confident that they will indeed complete the settlement documentation and file for preliminary approval.

Respectfully submitted,

A handwritten signature in blue ink that reads 'R W Gonnello'.
